Verses We Pray For Our Boys

## How to use this

Prayer support is a central component of Raising Boys Ministries as we seek to equip and encourage parents to raise Godly men. As a companion to the Monthly Prayer for Boys Calendar, this prayer journal gives you a simple but powerful tool that will guide the time you spend in prayer for your boys. Each weekday features a Scripture-inspired prayer that coordinates with the calendar and you'll find the following sections on each journal page:

### Day and Verse

At the beginning of each day, we've included the full verse and reference as a starting point.

Note: We use the ESV Bible translation.

### Think

The space provided in this section is designed to help you process and meditate on the verse of the day. Consider what God is speaking to your heart through His Word on behalf of your son. Dream about your son's future and what it would look like to see the message of this verse come to fruition in his life.

### Pray

Each day, we use the Scripture verse to inspire a prayer that is specifically geared toward the heart of boys. Use that short prayer as a jumping off point and feel free to journal any other heartfelt prayers for your son, your own heart, or anything else you need to bring to Jesus.

### Do

Finally, we've provided several lines for you to make a plan for application based on the daily verse. Write out action steps that would allow you to weave this verse into the fabric of your family life today. How can you explain the message of this verse to your son? Does this verse spark any practical object lessons or teachable moments?

We hope this journal and the prompts included are a blessing as you intentionally intercede on behalf of your sons. We feel so privileged to share the journey with you and we are praying for your family!
